Overview

Spirit of Salima is a 34.2m motor yacht. Built by Tecnomar in 2007 to a Luca Dini design, Spirit of Salima is the flagship of their Velvet 35 series. Accommodating six guests and three crew, her lavish art deco interior was inspired by a castle in Morocco and the jungles of Africa, incorporating luxurious woods and Carrare marble. She features a sliding roof which uncovers a great part of the bridge allowing for a beautiful sky view.
