SPECIFICATIONS

Overview

This Frers-designed Swan 77 combines superb sailing performance with a luxurious five stateroom layout typically found on much larger yachts. In the past five years LA FORZA DEL DESTINO has benefitted greatly from an extensive series of upgrades both to her hardware, such as new hull paint, new teak decks, an all new mast, boom, rigging system, sails and canvas, and to her electrical equipment, including work on the generator, engine gearbox, motor heads, AC units, and entertainment system. She has just received a complete new set of sails and a brand new engine in Newport, along with her constant high standard maintenance! She is in excellent condition, equipped and ready to prove her excellent capabilities while cruising or racing.
