DETAILED INFORMATION

Introduction

This 35' Cruisers 3575 offers the performance and styling as the original 3570 with an interior design that gives her a brand new personality. The cockpit design boasts a center windshield walk-through, easy foredeck access, and a functional helm seating arrangement with a double-wide pilot seat and double companion seat. Her design is unique in that the arrangement leads to the aft portion of the cockpit, rather than into the companionway. A well-appointed wet bar and cockpit seating provide cruising comforts and an innovative rear cockpit locker keeps fenders out of everyone's way. This comfortable cruiser has a private forward master stateroom with double berth, an aft seating area that converts to private amidship cabin and a dinette - double berth, allowing up to six adults to sleep comfortably. The fully-equipped galley includes a full-size refrigerator and freezer, an electric stove, a microwave oven, a sink and plenty of counter space
