## Overview

---

The AuSum II was created by a meticulous builder for a demanding owner that wanted the very best. This Vaudrey Miller was built along the same laminate schedule and materials as the legendary 44 Garlington. The AuSum II features a private queen forward stateroom, ensuite head, comfortable large salon sofa with hi-low convertible dining table. The custom Stainless galley refrigerator doors and chest freezer are ergonomically perfect! It is hard to find a custom express with the interior accommodations of a production boat. AuSum II combines the best of both worlds. AuSum II rides dry & soft with great efficiency. She has served her only owner well and is for sale as he approaches his 80th birthday.
