### Remarks

---

The 68' Viking Convertible encompasses the best in layout, cockpit size, range, speed, bridge design and mezzanine usage in a traveling sport fisherman. A private crew quarters with engine room access aft, full head and shower with 2 roomy bunks allows the 68' to transform into the go anywhere captain crew and gear tournament destination convertible and with the preferred MTU M91 2013 hp engine package you can be comfortable with reliability, an impressive 32.5 knot cruise and efficient fuel burn. The 68' offers a very spacious Salon-Galley and Dinette arrangement. Ample Master and Guest accommodations without being too big to tournament fish effectively.

The High Cotton was built with all the right extras, with additional improved functional and cosmetic updates. This vessel was a former Viking Demo which reflects certain attention to details always capturing an audience. High Cotton is priced aggressively and the seller is looking for immediate offers. Trades will be considered.
