- Macerator pump for both in-deck fish boxes

Manufacturer Provided Description

The 27 Open is just the right size to handle the roughest conditions and yet easy to manage on the weekends at busy boat ramps and marinas. The 27 has an impressive beam and deck layout that maximizes fishability while accommodating your friends and family. It performs and feels like a bigger boat because it shares the same hull design and construction of the 34 and 39.
