## Overview

---

SECRET SPOT (a 2004 Lazzara 106) affords you the opportunity to escape to the water on a true pedigree yacht that only comes around once in a lifetime. Very few yachts can match the endless features SECRET SPOT has and none can match the statement she makes everywhere she goes. She decorated in high gloss African Cherry wood with flamed Mahogany inlaid marquetry throughout the interior. The main deck offers a country kitchen with every appliance imaginable. Below there are four very large staterooms, each with ensuite heads. The study, which is adjacent to the Master Stateroom can be turned into an additional cabin, as it offers a sofa that converts into a comfortable pull-out bed. Crew quarters are located aft and include two cabins, which sleep up to four people. The pilothouse features state-of-the-art electronics and communication systems. The outdoors have been captured ingeniously on the expansive flybridge that includes a Jacuzzi, a wet bar, grill, large seating and a 17' Novurania. Make SECRET SPOT your own personal getaway today.
