Hull Material: Fiberglass

Hull Color: Black Onyx

Engine Information

Engines: 2

Manufacturer: Volvo

Model: D6-400

Engine Type: I/O

Fuel Type: Diesel

DETAILED INFORMATION

Overview

The Formula 400 super Sport is built on Formula's "Fas3Tech" hull bottom – a double-stepped deep-V designed to reduce the water's grip on the hull. The result, according to company engineers, is a faster and more stable boat that runs at near-optimal running angles without the need to constantly trim the drives. Beautifully styled, the Super Sport is a superb day boat with plenty of cockpit space and a wide-open interior. With the owner's stateroom aft, a rich Ultraleather wraparound lounge forward and four overhead translucent hatches dominate the salon. On deck, the doublewide helm seat folds away for standup driving, and a walk-through windshield opens to a wide stretch of nonskid leading to the bow.

Standard Features - Exterior

- NMMA Yacht/CE Certification
- Transferable 5-Year Formula Guard® Limited Protection Plan with 10 year Structural Warranty (USA only)
