Fuel Type: Diesel

DETAILED INFORMATION

Vessel Overview

Vessel Walkthrough

Standing in the huge cockpit you will find two large fish boxes (chill plates in one, ice machine plumbed to the other) adjacent to the full size Blue Water fighting chair and rocket launcher. Surrounded by combing pads, transom door, and the best factory built in live well in the business. Cockpit fresh and salt water washdowns make cleaning a snap. Engine room accessible from cockpit just port of steps leading to helm deck.

Stepping up to the air conditioned main deck, you will find cabinets concealing tackle drawers, U-line refrigeration and storage. Facing forward, the helm displays a full High Seas Deluxe Electronics Package. Seated in one of three Stidd helm chairs one can prepare for fast, comfortable ride to the fishing grounds. Aft of the helm station lies an L-shaped seating area for many to escape the sun, but only steps away from the action. Look up to see two concealed compartments hiding electric teaser reels and rod storage.

Heading down the companionway steps, the day/guest head and shower are to starboard, galley and prep area completes this side. To port is an L-shaped leather sofa to lounge and watch Sat TV or listen to the state of the art Bose stereo system. Storage abounds in these areas low and high. Two hatches positioned in the teak flooring give access to mechanical units. Below decks are white and provide more storage.

The roomy master stateroom is forward with ensuite head and shower. Hanging closet to port and storage below master bed.

Galley

- Ceramic Cooktop
