SPECIFICATIONS

Overview

Performance and luxury, form and function come together in perfect harmony aboard the Aleutian 59 RP. With a modified deep V hull the Aleutian 59 cruises very steadily and in quiet comfort. The teak laid flybridge is wide and open with a full hardtop and clears for protection and ample seating.

Inside and out, the 59RP impresses with its timeless design, sea kindly hull, intelligent design and superb interior finishing and fit out. This boat comes with a long list of options and accessories and also benefits from some customisation during build that saw the lower helm removed and a large family dining area built in its place. This is a spacious and sensible layout that is perfectly suited to extended cruising in the tropics.
