SPECIFICATIONS

Overview

M/Y *Pollux* is a perfectly maintained yacht built by Cantieri di Pisa. What distinguishes *Pollux* from every other yacht in this category is her Donald Starkey interior – a brilliant fusion of Japanese and art deco themes. Entertainment is provided through her centralized Linn system. The yacht can accommodate 8-10 guests in 4 spacious cabins all located on the lower deck. The full beam master suite, decorated with natural colors welcomes you with a feeling of spaciousness. The VIP cabin with a double bed, fully upholstered in leather and matching the burl wood of the furniture and the cream tones of the carpet.

Once again on the lower deck, there are the two spacious twin cabins both with ensuite facilities. The widespread use of onyx marble together with the combination of silver and gold plated accessories in the guest bathrooms is a clear evidence of both the refinement and the elegant richness of the interior design.

Her flybridge provides ample space for sunbeds, a dining table and a full beam circular lounging area.
