# DETAILED INFORMATION

---

## Manufacturer Provided Description

---

Knowing that some family cruisers look like minivans, Meridian designed its 391 Sedan to bring the styling and performance of a sports car to the class without losing any practical features. This attractive yacht's sleek profile conceals a wide-open salon with warm cherry-wood interior, premium-gloss finish, homelike seating arrangements and 360-degree views of the horizon. She also features a dedicated dinette and fully-equipped galley that are seamlessly integrated into the main living space, two large staterooms and separate shower and head compartments, each with its own vanity and sink. The flybridge's distinctive overhang offers more space topside as well as cockpit weather protection, and its molded-in steps are hinged to provide direct engine-room access. Why settle for a floating box on the water when you can enjoy all the style, performance and comfort of the 391.

## Engine Notes

---

Max hp displayed as standard. Twin Cummins and Mercury diesel engines also available.

## Exclusions

---

Owner's personal belongings.
