DETAILED INFORMATION

Accommodations

AN EXCEPTIONAL YACHT!!!

Managed by the original full time captain, the 2013 Ocean Alexander 72 has been professionally maintained to the highest level. She includes the three-stateroom layout plus Captains quarters which can be also converted to a Cabana for guest. Pamela Rae was built new by the present owner with several custom features and meticulous attention to design detail. Pamela Ray is unique in every aspect and represents the best in class of any 72' Ocean Alexander Pilothouse on the market today.

The Owner desires to move up to a larger vessel and has spared no expense in making the Pamela Rae 72' Ocean Alexander an exceptional yacht. This is a must see.

Stepping into the salon the Pamela Rae full 18' 10" beam feels large and welcoming. Oversize gleaming windows provide an expansive and panoramic view both day and night. The salon offers the most relaxed and perfectly finished interior setting for both private enjoyment and entertainment for multiple guest.

Forward is a spacious galley designed with contemporary stone countertops, full size refrigerator and freezer. An open galley design is made for participation. A long stone counter and comfortable settee paired with a table offers an open invitation for your guest to share in the experience.

To port, a gleaming wood stairwell offers a private entrance leading to the full beam luxurious Master Stateroom with King-size berth. Included in the master is a subtle two steps down into a beautiful foyer which leads to the master en-suite. Complete with double vanities located to starboard, and an oversize shower and a private water closet on the port side.

The exotic wood finishes are the ultimate compliment to this luxurious setting in both master an en-suite

Below the Port and VIP share a dedicated staircase and foyer. However each is a private haven all its own. The forward VIP stateroom has a queen-size berth, an en-suite head and shower. To Port is a third stateroom designed with a personal entrance creating its very own private setting.

The pilothouse is fitted with an electronic Stidd helm chair, a large sunken and hidden dash which includes state of the art electronics.

Pamela Rae boasts custom-tuned LED lighting throughout using less power as well as generating less heat.

This is truly an opportunity to own a remarkable 72' Pilothouse Ocean Alexander fully equipped with the power performance, state of the art electronics and masterful interior design that you

would expect in a world class vessel.
