DETAILED INFORMATION

Accommodations and Layout

"My Kinda Party" offers a great layout that allows you to bring all your friends out for a day on the water! She is versatile and is at home whether it be a fast run over to a favorite lunch spot, laying out in the sun or dropping fishing lines in the water. Her walk through transom with door features a fresh and salt water washdown as well as a livewell. Stepping into the cockpit the custom diamond stitched black and red seating instantly draws attention. A comfortable transom bench seat, double drop down bolsters at the helm, forward console seating and two molded sun lounges forward offer an abundance of spots to sit and relax. The cabin forward has a double berth, storage, custom led lighting and a small bar with cut outs for a bottle of Grey Goose and Johnnie Walker Blue! The interior is done in a red and white color theme to match the boat.

In deck there are two storage areas and a large centerline fish/storage box forward. The helm allows for a full compliment of gauges, electronic controls/throttles, stereo, vhf and glass screen Garmin GPS/chartplotter. The forward console seat swings up with gas assist rams for easy access to the back of the helm as well as the four batteries, battery charger, stereo amps, etc. Overhead there is a radar arch which can fold down for low bridge clearances and a red canvas framed bimini that can also fold in when shade is not desired.

The hull sides received a custom paint job from Avanti and the Verados have been custom painted to match. A great combination of solid ride, performance, layout, versatility, and great looks!
