Fuel Type: Diesel

DETAILED INFORMATION

35' Tiara Motor Yacht LIL HUD

35' Tiara Motor Yacht LIL HUD 3500 Express is a high-style family cruiser with impressive accommodations. She's heavily built on a beamy, modified-V hull with a shallow keel and prop pockets to reduce the draft. The interior is huge for a 35-footer thanks to the super-wide beam. The big lounge next to the cockpit steps can be converted into a private stateroom at night, and both sleeping areas have folding privacy doors instead of curtains. A removable pedestal seat allows the dinette to seat five. All in all, this is easily the nicest interior to be found in a production express cruiser this size. Additional features include a wood cabin sole, a huge storage trunk built in the transom, single-level cockpit seating for eight, and a 4-foot swim platform for stowing an inflatable (or water toy). Besides the bench seating at the helm, there are two more bench seats in the cockpit, one of which can fold up for extra room when not needed. With its powerful 420 hp Diesels this boat cruises at 24 knots with top speed of 30 knots. Navigation electronics have been recently updated Raymarine RAY 218 VHF Radio Raymarine Autopilot Raymarine Hybrid Touch GPS plotter with chart and depth display Equipment list Generator with 1410 hours Spare propellers Two battery chargers Two air conditioning units with digital controls 110/12 volt refrigeration Racor Fuel filters Halon fire suppression system Remote spotlight Anchor windlass Bimini top

Exclusions

Owner's personal belongings.
