Engine Notes

- Triple Seven Marine 627 engines custom painted to match the boat. Manufacturer warranty until April 2017
- 6.2 L all aluminum engines with revolutionary ZF marine gear application. Closed loop cooling system. Touch screen engine displays
- Cutting edge technology used in creating the most powerful and reliable engine on the market today. Seven Marine engines and bow thruster are integrated to be operated by the smart command 5000 joystick system that allows effortless docking even in the tightest of docking situations.
- The 627 is Seven Marine's latest and most advanced technology
- Seven Marine Cowling lighting

PERFORMANCE:

- 41 knot optimum cruising speed with 43 gph fuel consumption
- 63 knot plus top end speed at 5,800 rpms
- Tremendous mid-range throttle response

From Seven Marine: "You'll be able to run fast and cover long distances efficiently so you can get to the fishing grounds first and be the last to leave. That will allow you to maximize your time on the water. Plus, while you're fishing, you'll have precision control for the ideal bait presentation. It's a great combo."

Salesman's Remarks

The HydraSports 4200 can easily become the perfect yacht tender utilizing its custom tow bracket. This is a must have for any yacht seeking a tender with the ultimate in quality, speed, and custom amenities,

Exclusions

Owner's personal belongings.
