Overview

Built by experienced yachtsmen and sport fisherman for experienced yachtsmen and sport fisherman, Chunda II is an excellent reflection of the pride and passion that comes out of Sea Force IX's yachts. Built on a foundation of blue water performance hulls, Sea Force IX yachts are effectively constructed with performance, fish ability, and luxury in mind to deliver an unforgettable offshore experience. Call today to schedule an appointment for a private showing on this spectacular yacht.

Chunda underwent a yard period in June-August of 2014 at LMC boat yard in Ft. Lauderdale. Many upgrades, services and replacements were done on systems to keep this yacht in pristine mechanical working condition. A W6 maintenance interval was completed on the main engines on August of 2014. Also during this period, all A/C chillers were replaced and air handlers throughout the yacht were replaced. Many interior upgrades were completed including LED bulb replacements, new headliner, blinds, and soft décor around windows.

DETAILED INFORMATION

Chunda II

Built by experienced yachtsmen and sport fisherman for experienced yachtsmen and sport fisherman, Chunda II is an excellent reflection of the pride and passion that comes out of Sea Force IX's yachts. Built on a foundation of blue water performance hulls, Sea Force IX yachts are effectively constructed with performance, fish ability, and luxury in mind to deliver an unforgettable offshore experience. Call today to schedule an appointment for a private showing on this spectacular yacht.

Chunda underwent a yard period in June-August of 2014 at LMC boat yard in Ft. Lauderdale. Many upgrades, services and replacements were done on systems to keep this yacht in pristine mechanical working condition. A W6 maintenance interval was completed on the main engines on August of 2014. Also during this period, all A/C chillers were replaced and air handlers throughout the yacht were replaced. Many interior upgrades were completed including LED bulb replacements, new headliner, blinds, and soft décor around windows.

Salon

The salon of Chunda II is spacious and well laid out for relaxing and entertaining. Port, starboard, and aft large windows make for great visibility to the scenic views of your yachting location. The large sofa and bar stools allow for plenty of space for guests and family to interact comfortably, and the aft salon bar and easy serving access from the galley and dinette bring this area of the yacht together for the ultimate functionality of the main salon. The spiral stairway is located to starboard and allows for convenient access to the enclosed flybridge, and the appealing décor adds an exceptional feeling of luxury and enjoyment.

- All new headliner complete in in 2014
- All new Hunter Douglas blinds in 2014
- All new soft paneling and valances around salon windows in 2014
- Updated salon lights to LED bulbs in 2014
- Leather sofa seating with storage underneath
- Custom cocktail table with cover
- Teak double doors entrance from mezzanine and cockpit
- Custom flooring at entrance
- Carpeting throughout and removable carpet runner
- Carbon Monoxide and smoke alarms
- Grab handles near door entry
- Access to enclosed flybridge via spiral staircase with chrome base and teak steps with non-skid
- Cabinet storage
- Access to aft salon bar

- Aft salon bar area
 - Custom flooring
 - Sink with cover
 - Granite counter top
 - Summit Commercial ice maker
 - Cabinet storage
 - AC salon/galley load panel
 - Main 120/240 VAC Control Panel
- Audio Visual Equipment
 - Surround sound Paradigm speakers
 - Sound bar speaker above TV
 - Samsung flat screen TV
 - Denon Integrated Network AV Receiver AVR-S700W
 - Denon iPod dock
 - Samsung DVD player

Galley and Dinette

The galley has large surface area granite counter tops and all the amenities and appliances for meal preparation. Located forward of the salon, this area is open and practical to serve both the dinette and bar stools that are located at the galley raised counter top. This set up allows for plenty of space to enjoy meals and entertaining with guests and family. The large island creates convenient access from all areas of the salon, dinette and down to the companionway.

- New faucets in galley 2014
- Four barstools at raised galley counter with footrests
- Custom flooring throughout galley and dinette area
- Two Cospolich refrigerators with drawers
- Two Cospolich freezers with drawers
- KitchenAid stove top with exhaust fan
- GE convection oven/microwave
- Blanco double sink
- Badger insinkerator
- KitchenAid dishwasher
- Miele oven
- KitchenAid ice maker
- Designated trash disposal area with cover
- Two toned color wood backsplash
- Cabinet storage with designated wine glass, glasses, plates, bowls, and mug storage
- Magnet knife storage
- Cabinet storage
- Drawer storage
- Custom dinette counter top that matches salon cocktail table with cover

- Two tone cushioned seating
- Drawer storage underneath seating
- Storage behind dinette seating backrests

Companionway

The companionway is located to the port side of the yacht allowing for larger accommodations for the master, guests, and crew staterooms. It is well lit and has a linen closet, storage lockers, matching granite tops outboard, and a designated cut out area for the suitable marlin and sailfish sculpture.

- Handrail at the stairs
- Cabinet storage
- Granite counter top
- Linen closets
- Access to all staterooms and day head
- Carpet runner for stairs and walkway carpet
- Overhead deck hatch

Master Stateroom

The luxurious master stateroom embraces the true definition of an owner's suite. This stateroom is surrounded by teak wall panels, custom granite counter, and both overhead and accent lighting. The large island berth is centered in the stateroom and has storage underneath, and plenty of drawer and cabinet storage allow for long stays on board. The master also has its own large ensuite head and walk in shower.

- Large centered berth with storage underneath
- Built in nightstands on both sides of berth
- Custom countertops
- Lighting with dimmer function
- His and hers hanging lockers
- Vanity sitting area
- Custom headboard
- Custom matching mattress day cover, pillow shams and décor pillows
- Cabinet and drawer storage
- Smoke and carbon monoxide alarms
- F2300 Safe in hanging locker
- Custom carpeting throughout
- Audio Visual Equipment
 - MX 3000 Dynamic Entertainment System Remote
 - Aquos Sharp TV
 - Surround sound Paradigm speakers

- Samsung Blu-ray disc player
- Yamaha Natural Sound AV Receiver AX-V461

Master Head

The large private master ensuite head has plentiful room and a large walk-in shower. It is decorated with custom wallpaper, marble flooring, and granite countertops.

- Custom countertops
- Mirrors with storage behind
- Large under mount sink
- Headhunter toilet
- Blower fan
- Marble flooring
- Towel and robe rings and hooks
- Cabinet and drawer storage
- Large walk in shower with Grohe fixtures and above head rain shower head
- Custom wall coverings
- Overhead and accent lighting with dimmer functions

VIP Stateroom

The VIP stateroom is located all the way forward. It provides very generous accommodations for guests to retire and relax in comfort. It includes a large center-lined berth, plenty of storage, hanging locker, and large private ensuite head.

- Center-line berth with storage underneath
- Custom padded headboard
- Padded wall liner
- Granite counter tops
- Mattress day cover and matching pillows
- Storage drawers and cabinets
- Large hanging locker
- Private ensuite head
- Overhead deck hatch
- Overhead lights and reading lights
- Audio Visual Equipment
 - Samsung flat screen TV
 - MX 3000 Dynamic Entertainment System Remote
 - Samsung DVD player
 - Yamaha Natural Sound AV Receiver HTR-6250
 - Yamaha IPod dock

- Paradigm surround sound speakers

VIP Stateroom Head

This head is only accessed from the VIP stateroom creating privacy for your guests, and it is what they would expect to find on a yacht of this stature with marble flooring, granite countertops, chromed and gold colored fixtures, and large walk in shower.

- Granite counter
- Under mount sink
- Marble flooring
- Mirrored vanity with storage behind
- Headhunter toilet
- Cabinet and drawer storage
- Large walk in shower
- Custom wallpaper
- Tower ring and robe hook
- Fan blower

Guest Stateroom

The guest stateroom is entered from the companionway and has twin side-by-side berths. A granite-topped nightstand with drawer storage separate the beds. A well thought out sliding door accesses this guest stateroom's head.

- Two side by side twin berths with drawer storage underneath
- Custom padded headboards
- Night stand table with granite countertop and drawer storage
- Padded wall liner on the outboard side
- Granite countertop on outboard side
- Cabinet storage
- Hanging locker
- Overhead deck hatch
- Sliding door to head access
- Audio Visual Equipment
 - Aquos Sharp TV
 - Denon DVD player
 - Surround sound Paradigm speakers

Guest Stateroom Head

The guest head doubles as the day head. Accessed by either the guest stateroom or the

companionway it has multifunctional use. This head also has marble style flooring, custom wallpaper, and granite countertop.

- Access from the companionway and guest stateroom
- Mirror vanity with storage behind with surrounding teak frame
- Granite counter top
- Custom wall paper
- Under mount sink
- Walk in shower
- Cabinet storage
- Headhunter toilet
- Towel bar and ring
- Exhaust fan blower
- Marble flooring

Crew Quarters

The crew quarters is accessed from either the engine room or from the companionway. This allows for easy crew access to the engine room and machinery, and also allows for owner and guest privacy in the yacht's common areas. The crew quarters is divided into two stateroom areas. To port is a single berth and to starboard is over and under berths. The crew area has its own head and also houses the washer and dryer units.

- Three berths- One to port and over and under bunks to starboard
- Ship's Alarm System Control and Monitoring Panel
- DC Crew Load Panel 24VDC
- AC Crew Load Panel 120/240 VAC 1 Phase 60 HZ
- Smoke and Carbon Monoxide Alarms
- Miele Touchtronic T8003 dryer
- Miele Touchtronic W3000 Watercontrol-System washer
- Drawer and cabinet storage
- Two hanging locker
- Crew head
- Engine Room access
- Sharp TVs for each berth

Crew Quarters Head

Located aft between both crew stateroom areas and convenient access to the engine room. The crew head includes all the necessities.

- Headhunter toilet
- Granite counter top

- Under mount sink
- Cabinet storage
- Mirror vanity with storage behind
- Engine room access

Enclosed Flybridge

The enclosed and air-conditioned flybridge is accessed from the spiral staircase in the salon. The enclosed flybridge houses the main helm area and it also doubles as a second salon area. The 360 degree elevated view allows for another area to relax and enjoy the view whether docked, anchored, or underway. Comfortable forward faced seating and L-shaped sofa allow for plenty of guests to enjoy this area comfortably.

- Captain's helm chair
- Helm area and electronics
- Four forward facing seats with arm rests
- Ship's Alarm System Control and Monitoring Panel
- L-shaped seating with storage drawers underneath
- Custom cocktail table with cover
- Handrails on ceiling
- Door to aft flybridge deck with handrails located at sides
- Drawer and cabinet storage
- Carpet throughout with carpet runner
- Smoke and Carbon Monoxide alarms
- Storage area underneath helm panel
- Audio Visual Equipment
 - MX 3000 Dynamic Entertainment System Remote
 - Samsung flat screen TV
 - Samsung Blu-ray disc player
 - Denon AV Surround Receiver AVR-888
 - Surround sound speakers
 - Denon iPod dock

Electronics

- Four VEI display screens
- Garmin GPSmap 5212
- Furuno Color LCD Sounder FCV-1200L
- Furuno 96 mile radar
- Ritchie magnetic compass

- KVH Tracphone V7
- KVH VSAT

- SeaTel SAT TV
- Furuno RD-30
- Simrad AP50 Autopilot
- Simrad HS50 satellite Compass
- Nobletec chart plotting system
- Two ACR spotlights
- Detroit Diesel Electric Control Displays
- Fuel and Water Level Display
- Elbex EXS145 CCTV camera control system
- Two Icom VHF Marine IC-M602 radios
- Icom VHF Marine IC-M802 radio
- Aspire computer with Samsung screen and Logitech keyboard
- HP Officejet 6700 Premium printer

Aft Flybridge Deck

The aft flybridge deck can be accessed from the enclosed bridge or the mezzanine deck ladder. There is an aft helm station for docking or visibility and communication while fishing. Another mezzanine type seating area faces aft to enjoy the elevated outdoors.

- Aft station helm
 - Steering wheel
 - Engine controls
 - Trim tab controls
 - Garmin GPSmap 5212
 - Furuno RD-33
 - MTU engine displays
 - Engine start/stop switches
 - Horn control
 - Bow thruster control
 - Helm cover
- Nonskid deck
- Aft rocket launcher with 9 rod holders
- Overhead lighting
- Teaser reel compartment
- Miya Epoch US-9R teaser reels
- Hydraulic outrigger controls
- Fridgid-Ridgid freezer with cushions for aft facing seating
- Access to tower via center tower ladder
- Handrail by enclosed bridge access door
- Safety hatch over below deck ladder access

Engine Room

The engine room is conveniently accessed through both the cockpit entry and crew quarter's entry. This large and spacious engine room allows for easy access to the outboard and forward areas of the engines and all systems in the engine room. A large spacious engine room permits safer and simpler access and servicing. Many systems aboard Chunda have been replaced, serviced, or upgraded in 2014 to keep this yacht in great mechanical condition. The chiller units were replaced when the main engines underwent their W6 service interval, so the in frame overhaul has already been performed.

- Two MTU 16V2000 M91 Engines
 - W-6 overhaul in August of 2014
- New engine mounts 2014
- ZF Marine transmissions
- Replaced A/C chiller units 2014 with Marine Air Systems units
- Replaced A/C air handlers throughout 2014
- Fuel transferring system
- Dual Separ fuel filters for main engines
- RCI fuel purifying system
- Maritron fuel monitoring system
- Fuel bladder quick connects
- Main 24VDC Control and Distribution Panel at engine room entrance
- Two Northern Lights Generators
 - Port- 3930 hours
 - Starboard- 3659 hours
- Two Quiet Glide toolboxes to port and starboard
- Sentry Battery chargers
- Two Horizon Seafari water maker 1200 GPD
- Dometic Eskimo ice chipper with discharge into cockpit in deck fish box
- Engine displays
- DeWalt Emglo air compressor
- Sea Fire FM-200 fire suppression system
- Bin storage racks to port and starboard
- Two engine room cameras

Cockpit and Mezzanine

Chunda II's cockpit is designed for the most serious of sport fishing, and the mezzanine provides an observation area with an exceptional view. The cockpit is designed with lower profile and coaming width for easier reach to what could be your tournament winning fish. Whether competitively tournament fishing, or a day of fun bottom fishing on a favorite spot this cockpit is well versed to do it all.

- New teak deck and steps 2013
- New teak covering boards 2013
- Aft facing camera
- Mezzanine deck with cushioned seating
- Freezers underneath mezzanine seating
- Overhead lights at mezzanine
- Overhead speakers
- Ladder with access to aft bridge deck from the mezzanine
- Haunch handrail and rod holder on port and starboard
- Mezzanine rail with 9 rod holders
- Port and starboard steps to mezzanine from cockpit
- Six rod holders in gunnels
