Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Powerboat Guide Description

2015 PowerBoat Guide

An innovative yacht, the Regal 42 Sport Coupe is a stylish hardtop cruiser with a huge single-level cockpit and yacht-class accommodations below. Her full beam retractable hard-top, sliding glass doors, and walk-thru windshield open the entire cockpit area to the outdoors. Should the weather turn bad, the entire upper deck can be quickly converted into a weather-proof, climate controlled salon. Belowdecks, the interior layout of the 42 Sport Coupe includes a forward owner's stateroom with island queen bed, and an aft (midcabin) stateroom with twin berths and a pocket door for privacy. A U-shaped sofa and full-service galley occupy the salon which is notable for its high-gloss cabinetry and excellent headroom. The cockpit can be entered from both sides of the extended swim platform, and the center section of the deck lifts hydraulically for complete access to the engines and drives. The hull of the 42 Sport Coupe was designed specifically for Volvo's IPS drive system. A good performer with relatively small engines, she'll cruise efficiently at 25 knots (low 30s top) with twin 300hp IPS diesels

Galley

- **Black Corian counter top**
- **2 Burner Kenyon top w/ cover**
- **Contoure Convection Grill/Microwave**
- **Vitrifrigo SS Refrigerator**
- **Plenty of Storage**
