Engines: 2

Manufacturer: Detroit Diesel

Model: 1271TI

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer Provided Description

"The Bertram 58 Motor Yacht is over 43 tons of sheer grace and pure power. Imagine a vessel so spacious that ten people can embark on an extended voyage without feeling crowded or confined. Even the flybridge can accommodate eight comfortably, as the soft ride of the Bertram deep-V hull glides over jagged waters at 26 miles an hour in conditions that other yachts would find a hardship. And yet, for all her grandeur, this 58-foot masterpiece performs with amazing economy. A foredeck with a built-in lounge is large enough to serve as a private terrace, while the cabintop can serve as the perfect sundeck. The aft deck is a patio for cocktail parties, champagne breakfasts, or just plain lounging and relaxing. The stereo systems, air conditioning, wetbars, ice makers and remote-control televisions are all standard equipment. The salon is an arena of luxury, equipped as it is with an electronic entertainment center, a dining table and a unique salon - galley divider. The galley is elegant and complete. The forward stateroom features upper and lower berths with ample closet and drawer space. Also included is a built-in ladder and shelf for quiet, unnoticed arrival and departure. The amidships guest stateroom is equally as private. This room adjoins a full-size head with a shower and comprises twin beds with plenty of locker and drawer storage. The master stateroom has a full side-to-side closet, hideaway vanity, remote-control TV, desk, and a king-size bed with bilge alarms and light controls conveniently built into the headboard. A shower and bathtub round out a full-size head adjoining this stateroom."

In addition to her many features K-Bear also has installed:

- Naiad Stabilizers
- Underwater Exhaust
- Engine Room Camera
- Oversized Trim Tabs
- Underwater Stern Lights

Exclusions

Owner's personal belongings.
