## Overview

---

Here is a 2008 Sailfish 2360 Center Console from the original owner, twin Yamaha F150s, four strokes, and **more-than-fully loaded** with Garmin xHD Open Array Radar (2012), Garmin 5212 touch-screen (2012), Gland Slam Taco Outriggers, a downrigger, and the Continental Trailer included in the price. The owner has kept this boat clean and the engines well maintained; the engines have been serviced every 100-hours. The boat is a prime example of why this brand has become very popular in the last 10-15 years.

The Sailfish Variable Degree Stepped (VDS) Hull creates a soft and dry ride while offshore. The hull's multiple deadrise angles allow for a sharp entry but still provide excellent stability at slower speeds.

The boat is fitted with the desirable the Twin Yamaha F150 package. The engines are four-strokes and can be very economical. From Southeast Florida, this boat can take you to the Bahamas and back on the same tank.

**The beam is 9-feet;** this creates a noticeable "bigger boat feel". This is more boat than many 26' hulls of different brands. There is plenty of space for fishing or cruising.

Sailfish advertises that these boats are "made for anglers, by anglers", and you can truly see what they mean while aboard. Creativity in the layout makes the use of space extremely efficient, resulting in a combination of amenities usually found in center consoles much larger. This boat has large walkways, space to fish, plenty of seating, loads of storage, and a roomy enclosed head. Sensibility in the design creates a vessel with optimal fishability, comfortable cruising and convenience with maintenance.

## Description

---

Here is a 2008 Sailfish 2360 Center Console from the original owner, twin Yamaha F150s, four strokes, and **more-than-fully loaded** with Garmin xHD Open Array Radar (2012), Garmin 5212 touch-screen (2012), Gland Slam Taco Outriggers, a downrigger, and the Continental Trailer included in the price. The owner has kept this boat clean and the engines well maintained; the engines have been serviced every 100-hours. The boat is a prime example of why this brand has become very popular in the last 10-15 years.

The Sailfish Variable Degree Stepped (VDS) Hull creates a soft and dry ride while offshore. The hull's multiple deadrise angles allow for a sharp entry but still provide excellent stability at slower speeds.

The boat is fitted with the desirable the Twin Yamaha F150 package. The engines are four-strokes and can be very economical. From Southeast Florida, this boat can take you to the Bahamas and back on the same tank.

**The beam is 9-feet;** this creates a noticeable "bigger boat feel". This is more boat than many 26' hulls of different brands. There is plenty of space for fishing or cruising.

Sailfish advertises that these boats are "made for anglers, by anglers", and you can truly see what they mean while aboard. Creativity in the layout makes the use of space extremely efficient, resulting in a combination of amenities usually found in center consoles much larger. This boat has large walkways, space to fish, plenty of seating, loads of storage, and a roomy enclosed head. Sensibility in the design creates a vessel with optimal fishability, comfortable cruising and convenience with maintenance.

## Hull

---

- Variable Deadrise Stepped (VDS) Hull, multiple deadrise angles, 22-24 degrees at transom, based on the successful Sea Craft hull, 24-degrees entry section cuts through water, 23-degree stepped section (with down strakes) creates lift, 22-degree section provides stability
- Longitudinally stepped-hull, bow to stern
- Reverse chines
- Wide bow flair and spray rails, provide dry-ride
- Fiberglass hand-laid lamination, Kevlar and carbon-fiber reinforced
- Entire stringer system is closed-cell foam-filled
- 10-year warranty (2008-2018), life-time "no-rot" guarantee
- 46-58 degree deadrise angle at entry
- 9' beam, obvious "bigger boat feel"

- Hardware made of highly polished, 316 heavy-duty stainless steel
- Premium gelcoat
- No bottom paint, dry stored
- Slate Blue hull sides

---

## Engines and Molded Platform

---

- Twin Yamaha F150s, Four Strokes, regularly serviced every 100 hours, clean and good condition
- (2) Lenco trim tabs
- (2) Underwater Lights on transom
- Swim-ladder, to port, telescoping and folding, non-skid fiberglass cover panel
- (2) Pop-up cleats, stainless steel, port and starboard
- Non-skid fiberglass deck surfaces

---

## Cockpit

---

- Walk-through transom gate, to port
- Easy access compartment to bilge space, two-door, built into transom
- Fresh water washdown hose on transom, retractable, with cover
- Fresh water fill, to port
- Downrigger, Penn Fathom-Master, port-side of transom
- Raw-water washdown, on transom
- (4) Rod holders on transom

- Trailer Capacity: 8,500lbs.
- Gross Weight: 9,600lbs.

- Kodiak disc option
- Electric over hydraulic brakes
- Tires, six-lug, tread in good condition
- Spare tire and spare rotor, **new 2012** never used

---

## Broker Remarks

---

The owner is an avid fisherman and has kept his boat very, very well equipped with fishing equipment and electronics. The 2012 electronics, such as the Open-Array Radar and the Garmin 5212, are not usually found on boats of this size range. He has enjoyed the convenience from the Sailfish design, however is selling because of family hardship.

**In time for the season, this a rare opportunity to buy a clean, fully loaded, regularly maintained, responsibly used, center console for fishing or cruising from a quality and desirable brand, with twin four-stroke outboards, and trailer included.**

---

## Exclusions

---

Owner's personal belongings.

---
