## Overview

---

### MAJOR PRICE REDUCTION

### LOWEST PRICED ANYWHERE!

Regal has been building boats since 1969. Regal broke new ground when they came out with the 3360 Windows Express model. A window was incorporated into the cabin overhead. The result was a major improvement in the overall lighting throughout the cabin interior.

The interior has an appealing blend of leather seating, cherry joinery, hardwood flooring and designer fabrics are just a few luxuries this fine vessel offers.

Other features worth mentioning are a sporty helm with burl wood trim, flip up helm seat, walk-thru windshield, power engine compartment hatch and a wet bar in the cockpit.

One owner and vessel has been lift-kept since day one with a custom cockpit cover. Vessel has low hours.
