SPECIFICATIONS

Overview

Along with updated exterior styling in keeping with the premium Hatteras design pedigree, the 70MY incorporates a number of standout features to enhance cruising comfort and convenience. Wide, walk around side decks ease in the handling of lines and make short work of getting forward to the posh bow lounge, which includes cushioned bench seating and a table. Alfresco entertaining is the order of the day on the big, open, Mediterranean- style flybridge with multiple seating and sunning spaces.

Basic Information

Category: Motor Yacht

Model Year: 2015

Year Built: 2015

Country: United States

Dimensions

LOA: 70' 0" (21.34m)

Beam: 21' 0" (6.40m)

Max Draft: 4' 6" (1.37m)

MFG Length: 74' 6" (22.71m)

Speed, Capacities and Weight

Displacement: 145000 Pounds

Water Capacity: 300 Gallons

Holding Tank: 250 Gallons

Fuel Capacity: 2000 Gallons

Accommodations

Total Cabins: 4

Sleeps: 8

Total Heads: 4

Crew Cabin: 1

Crew Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: C32A's

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Exterior Finish & Construction

• Isophthalic / NPG gelcoat, exterior layer, white - above waterline • Blister resistant vinyl ester gel coat, white - below waterline • Hull and superstructure painted with a premium linear polyester/polyurethane coating for improved cosmetics & increased durability • Polymer/copper based anti-fouling bottom paint • Boot stripe, linear polyester/urethane coating • Decks, non-skid surface, polyurethane paint with polymeric beads • Resin-infused solid fiberglass hull bottom with premium vinyl ester resins • Resin-infused longitudinal stringers with steel at key locations to create engine foundations • Resin-infused bulkheads, athwartship and interior decks using PVC foam core

Hardware & Miscellaneous

• Water delivery kit • Fin stabilizer system • Interior wood bulkheads, cabinetry and trim with a satin or high-gloss polyester finish • Fabric headliner installed on track system for service access • Fabric covered hullside(s) and bulkhead(s) installed on track system for service access • Fixed frameless windows with tinted safety glass • Welded and polished stainless steel anchor chute and roller • Anchor locker on bow deck • 90lbs plow anchor 300ft acculoy hot dipped galvanized chain • Windlass; 3,500lbs electric with deck mounted control switches • Dual prop bow thruster, 32hp hydraulic • Four polished stainless steel spring line cleats with chafing strips, through bolted in aluminum backing plates • Two polished stainless steel bow cleats, through bolted in aluminum backing plates • Two polished stainless steel stern cleats, through bolted in aluminum backing plates • Welded and polished stainless steel rails on bow, side-decks and flybridge, drilled and tapped in aluminum backing plates • Stainless steel rudders • Manganese bronze dripless rudder seals • Zincs on rudders and shafts • Alloy 22 high strength propeller shafts • Nibral high performance propellers • Dripless shaft seals • Manganese bronze struts • Stainless steel trim tabs • Sea Stair with dedicated storage brackets • Walk around side decks • Bow Seating with sun lounge • Reboarding Ladder to swim platform • Stainless steel deck plates fuel fill, water fill, and waste pump out • Fog bell • Dual air horns • Life jackets (10) • Life ring (1) • Black braided nylon dock lines (6) • Fenders (4) • Portable “drychem” fire extinguishers in compliance with USCG and ABYC standards • Portable 13lbs Halotron-1 fire extinguisher

Engine Compartment & Bilge

• Painted polyurethane engine room and bilges • Freshwater AC back-up pump • Insulation in engine room ceiling, for noise mitigation in salon • Water manifold with centralized shut-off valve for sinks and showers • Pick-up sea chests • Pultruded fiberglass rudder shelf • 1” stainless steel steering tie bar with pivoting self aligning ball joint connection at all cylinder and tie bar connections • AC Engine room lights • DC lights • DC ventilation blower • Twin diesel, freshwater cooled main engines with electrically controlled marine gears, neutral interlocks,

exhaust silencers, engine hour meters, alternators, fuel filters and seawater strainers • Digital monitoring for main engines • Start/stop switches • Fixed fire extinguishing system for engine compartment with automatic and remote manual controls, plus audible and visual discharge signals • Two 27.5kW freshwater cooled Electronic Quiet Diesel Onan generator with shock mounts, sound enclosure, seawater strainer, remote start, fuel/ water separator, hour meter and water lift muffler • Generator exhaust water separator • Polyethylene water lines • USCG approved fuel lines • Electric fuel transfer system with filtration and dry tank protection for pump • AC compressed air system with air line and regulator • Dockside water inlet with pressure regulating valve • 24V DC bilge and sump pumps with heavy duty float switches and protective guards • Bronze/chrome ball valves through bolted in solid fiberglass on all underwater through hull fittings with electrical bonding throughout • Pressurized 230V AC freshwater pump • 230V AC electric water heaters • Fiberglass fuel tanks constructed with fire retardant resin and bronze fittings • Fiberglass water tanks, constructed with bronze fittings and materials which comply with the requirements of Title 21 for FDA • Fiberglass holding tanks, constructed with bronze fittings and 24V DC sewage pump, plumbed for dockside pump out, with 3/4 full display and alarm • 110V AC oil changing system for engines, generators and gears • Fuel filter/water separator, generators • Duplex fuel filters/water separators, engines

Electrical Systems

• Transom underwater lights (2 each) • Air conditioning back-up sea water pump-- plumbed and wired single • Two 24V banks of heavy duty, 12V marine batteries mounted in fire retardant fiberglass boxes • Tin coated wiring with insulation, labeled and color coded • Gel/lead acid compatible 240V automatic battery charger, 50/60Hz • Automatic battery paralleling system with switch at control console • Two 240V, 100A, transformer connected retractable shore cords with over current protection and wireless remote control • DC LED lights and fixtures • AC duplex outlet(s) with ground fault protection • Battery control panel with fuses and isolation switches • DC electronics panel with magnetic circuit breakers • AC and DC distribution panels with magnetic circuit breakers • AC switching panel with source selector switches, volt meter, ammeter, frequency meter, generator start/stop controls, and distribution panel selector switches • Navigation lights • Ground fault protection on AC receptacles and AC lighting circuits • Air conditioning, 90,000BTU, with reverse-cycle heating • TV antenna, Omni-directional • Smoke and carbon monoxide detectors

Flybridge & Bridge Deck

• Fiberglass hardtop with stainless steel supports, overhead LED lighting, mast, molded mounting pads, and anchor light • Lounge with Dri-fast cushions upholstered in exterior grade fabric, storage; covers included • Teak high gloss table with stainless steel pedestals • Cabinet with single electric grill • Systems monitor with programmable logic controller read out, visual and audible signals for exhaust temperature, alternator, battery voltage, high bilge water, fire warning in engine compartment, fire extinguisher discharge in engine room AC power loss, smoke detectors, carbon monoxide detectors, and holding tank 3/4 full monitor • Single-lever clutch and

throttle controls (electronic) with emergency back up and engine synchronization • Hydraulic power assisted steering • GPS/Plotter, VHF, autopilot repeater, digital depth and temp • Control station with all necessary switches and dimmable lighted instruments • Compass with dimmable light • DC AM/FM stereo entertainment system and speakers • Fuel level gauges • Two adjustable helm chairs • Welded and polished stainless steel grab rails and stanchions • Framed glass windshield • Painted (polyurethane) aluminum radar arch with masthead light and anchor light • Wet bar, refrigerator, icemaker and three barstools • Molded in stairs to aft deck with hatch • DC low level lights

Aft Deck

• Lounge with Dri-fast cushions upholstered in exterior grade fabric, storage; covers included • Molded fiberglass steps with lights to flybridge • Molded fiberglass steps with lights to sport deck, port & starboard • Stainless steel gates from aft deck to platform • Boarding gates, port and starboard side decks • Amplifier, speakers, and volume control integrated with salon stereo • AC duplex outlet(s) with ground fault protection • AC lighting in hardtop • Teak high gloss table with stainless steel pedestals • Aft deck bar with sink and refrigerator

Sport Deck

• Freshwater wash down outlet with hose connection • Handheld shower • Pop-up cleats (2) • Watertight door to utility room and engine room

Galley

• Synthetic wood-style flooring • Microwave / convection oven • AC four-burner ceramic cooktop with oven • Dishwasher • Upright AC refrigerator with freezer and icemaker • Amplifier, speakers, and volume control integrated with salon stereo • Lounge with storage underneath and wood table with stainless steel pedestal • Stone countertops with under mount stainless steel sink and storage cabinets made of finished wood • 1/2HP continuous feed garbage disposal • HVAC Control • Water level gauge • Pantograph door with lock, to side deck, starboard

Salon

• Synthetic wood-style flooring with carpet inlay • Fabric headliner installed on track system for service access • Privacy blinds • Fixed frameless windows with tinted safety glass • Welded and polished stainless steel door to aft deck • 40" class LED with Omni-directional antenna • Home theater surround sound and Blu-ray • Ice maker • DC LED dimmable lights • AC duplex outlets • Custom sofa with storage • Throw pillows • Cocktail table • One club chair • HVAC control

Day Head

• Wood floor • Glass mirror above vanity • Base cabinet with storage and stone top • Wall covering • Holding tank 3/4 full indicator light • Window covering • Freshwater toilet • 120V AC air freshener blower

Companionway

• Carpeting • Fabric headliner installed on track system • Flush panel doors with door stops to stateroom(s) and head(s) • Lighted stairway to galley • Washer/dryer

Master Stateroom

• Carpeting • Fabric headliner installed on track system • King berth, wood berth base and cedar-lined storage • Upholstered headboard • HMC mattress, bunk cover, shams, throw pillows, mattress pad, sheet set, sleeping pillows • Cedar-lined closet with shelving and automatic lights • Nightstands with drawers • Dressers with drawers to port; lounge to starboard • 40" class LED TV • Home theater surround sound and Blu-ray • Full length mirror • DC LED dimmable lights • DC low level lights under berth • AC duplex outlets • Port lights with window coverings, port and starboard • HVAC control • Smoke and carbon monoxide detectors

Master Head

• Tiled flooring • Stone countertop, backsplash, and side splashes with two sinks • Wood baseboard • Tiled shower with frameless door • Fabric headliner installed on track system • Wall covering • Storage cabinet with mirror • Base cabinet to match interior finish with storage • Towel bar, towel rings, tissue holder, robe hooks • Freshwater toilet • 120V AC air freshener blower • DC LED dimmable lights • DC low lever lights under toe kicks • AC duplex outlet with ground fault protection • Air conditioning vent • Holding tank 3/4 full indicator light • Plexi-mirrored ceiling

Bow Guest Stateroom

• Carpeting • Fabric headliner installed on track system • Queen berth, wood berth base and cedar-lined storage • Upholstered headboard • HMC mattress, bunk cover, shams, throw pillows, mattress pad, sheet set, sleeping pillows • Cedar-lined hanging locker with shelving and automatic lights • Nightstands, port and starboard • 32" class LED TV • DC AM/FM stereo receiver with DVD player and speakers • Full length mirror • DC LED dimmable lights • DC low level lights under berth • AC duplex outlets • Screened overhead hatch with privacy cover • Hullside storage cabinets • Port lights with window coverings, port and starboard • HVAC control • Smoke and carbon monoxide detectors

Starboard Guest Stateroom

• Carpeting • Fabric headliner installed on track system • Full berth, wood berth base and cedar-lined storage • HMC mattress, bunk cover, shams, throw pillows, mattress pad, sheet set, sleeping pillows • Upholstered headboard • Cedar-lined hanging locker with automatic light • Nightstand with drawers • 32" class LED TV • DC AM/FM stereo receiver with DVD player and speakers • Full length mirror • DC LED dimmable lights • AC duplex outlets • Port light with window covering • HVAC control • Smoke and carbon monoxide detectors

Port Guest Stateroom

• Carpeting • Fabric headliner installed on track system • (2) twin berths, wood berth bases with storage • HMC mattress, bunk cover, shams, throw pillows, mattress pad, sheet set, sleeping pillows • Upholstered headboard • Cedar-lined hanging locker and automatic light • Nightstand with drawers • 20" class LED TV • DC AM/FM stereo receiver with DVD player and speakers • Full length mirror • DC LED dimmable lights • AC duplex outlets • Port light with window covering • HVAC control • Smoke and carbon monoxide detectors

Guest Heads

• Synthetic wood-style flooring • Wall covering • Stone countertop, backsplash, and side splashes with sink • Hardwood baseboards • Shower with seat, frameless glass door • Storage cabinet with mirror • Base cabinet to match interior finish with storage • Towel bar, towel ring, tissue holder, robe hooks • Freshwater toilet • 120V AC air freshener blower • DC LED light fixtures • DC low level lights under toe kicks • AC duplex outlet with ground fault protection • Air conditioning vent • Holding tank 3/4 full indicator light • Plexi-mirrored ceiling

Crew Stateroom

• Synthetic wood-style flooring • Fabric headliner installed on track system • Over/under twin berths • Upholstered berth base • HMC mattresses, bunk cover, shams, throw pillows, mattress pads, sheet sets, sleeping pillows • Cedar-lined hanging locker with automatic light, nightstand below • 20" class LED TV • DC AM/FM stereo receiver with DVD player and speakers • DC LED dimmable lights • AC duplex outlets • Watertight door from swim platform • HVAC control • Smoke and carbon monoxide detectors

Crew Head

• Synthetic wood-style flooring • Wall covering • Solid-surface countertop, backsplash, and side splashes with sink • Hardwood baseboards • Shower with glass door • Storage cabinet with mirror • Base cabinet to match interior finish with storage • Towel bar, towel ring, tissue holder,

robe hooks • Freshwater toilet • 120V AC air freshener blower • DC LED light fixtures • DC low level lights under toe kicks • AC duplex outlet with ground fault protection • Air conditioning vent • Holding tank 3/4 full indicator light

Provisioning Items

• Stern staffs with ensign • Black braided mooring lines (6) • Black fenders (4) • Life jackets (12) • Life ring • Allowance for dining items such as china, crystal, and flatware

Exclusions

Owner's personal belongings.
