SPECIFICATIONS

Overview

Are you ready for a sport fishing vessel that inspires your imagination? This 76 Viking Convertible was built by a professional crew and experienced Viking owner. No expense was spared as you will see while reading through the detailed specifications.

Fully rigged this vessel has been outfitted with excellent electronics, tuna tower, Release fighting chair, tuna tubes, large in deck fish boxes, mezzanine, mezzanine air conditioning, helm air conditioning, numerous refrigerated boxes and too many other special features to list.

Accommodations include 5 staterooms and 4 ½ heads with a full beam master suite, queen guest stateroom, queen VIP stateroom and two additional staterooms that include 2 single berth each. The salon is huge with dinette, large galley, custom décor and day head located just inside the salon door to port.

Powered by 200 HP MTU engines she features one of the best rides available.

Engines also include MTU Extended Protection Coverage until January 2017 or 4000 hours whichever comes first.

This is a one of a kind vessel and fishing machine. Be prepared to experience outstanding Viking sea keeping qualities along with stylish good looks. Start raising and catching fish today!
