SPECIFICATIONS

Overview

Cot'n Top is a proven Great Looper. Clean and well maintained. Owner is moving ashore, leaving her well-equipped, well-supplied, and ready to cruise for many more seasons.

The two-cabin, two-head layout provides comfort and privacy for the owner and the guest party. A huge bridge welcomes everyone to a 360 view from the L-shaped settee, and two helm chairs for the captain and mate.

With a Length Overall of 45', she is the biggest and roomiest "40" in the world. The engine room with its 300 h.p. John Deer diesel offers an amazing 5'6" headroom, as close to standing room as a vessel this size can afford. Reverse cycle air conditioning brings comfort year round. A u-shaped settee in the salon is the dining and entertaining center. An oversized refrigerator/freezer supports extended cruising.

The galley is very spacious with lots of built in storage, Force 10 stainless steel stove/oven, oversized Tundra AC/DC refrigerator and freezer, Corian counter tops, microwave oven and double stainless steel sinks.

Aft is large master stateroom with walk-a-round queen bed, ensuite head and ample storage. Up 3 steps forward is the spacious main saloon with luxurious leather settee and burl wood dinette table to starboard and large galley to port. Forward and to starboard is the well equipped lower helm with dual helm seat and very good visibility. Forward and down 3 steps is the VIP stateroom with ensuite head

A wealth of additional descriptive information, photo gallery, CAD drawings of all systems as built are available immediately on request. Call.

Cot'n Top is in Maine waters this summer and coming south to the Chesapeake Bay in the early fall
