ХАРАКТЕРИСТИКИ

Обзор

Hand crafted by Mirage Manufacturing in Gainesville, Florida and only about 56 in the fleet, the Great Harbor Trawler Association is a tight knit group of a select few, who actively use and appreciate these charming, seaworthy vessels. Comfortable and roomy, it makes for a well-appointed live aboard accommodation or is perfect for a trip around the Great Loop. Lo Que Se A has been lovingly cared for and maintained by the sellers, who are her original owners. Her interior walls are easily cleaned fiberglass with lush mahogany trim and cabinetry. She sips a mere 2 gallons per hour at a cruising speed of 8 miles per hour, producing a cruising range of over 1200 miles. She is in tip top ship shape and ready for her new owners and next big adventure!
