SPECIFICATIONS

Overview

MY MARILYN is one of a few custom built yachts in the world that has never been chartered and only

had one owner as well as Captain maintained. Building her to ABS standards has put a touch of safety

and quality that only Hatteras could execute with a custom built yacht like MY MARILYN. 4 stateroom

plus crew, MY MARILYN would make a good charter boat.

DETAILED INFORMATION

Overview

The original owners of MY MARILYN have decided to retire from "big boating" after 30 years of extensive cruising through Eastern US and Bahamian waters.

MY MARILYN is part of the "Elite Series" Hatteras Yachts offered in the 90's and was constructed to American Bureau of Ships (ABS) stringent specifications. Since her commissioning in 1994, this ruggedly handsome Raised Pilot House Motor Yacht has always been privately enjoyed and maintained to the highest of marine standards.

MY MARILYN is a most desirable model with a generous aft deck, massive main salon, bar with "pass thru" to aft deck, country galley, four staterooms below decks with full beam master, forward crew quarters to accommodate five, large open fly bridge with Jacuzzi, and well appointed engine room.

Replacement cost on this exceptional vessel would exceed \$10,000,000. MY MARILYN represents an opportunity to acquire an extremely capable cruising yacht, in keeping with the Hatteras pedigree. Currently located in Baltimore and can be shown on short notice.

Brokers Remarks

The average term of ownership for 100 foot plus yachts in the US is 5 1/2 years. So why have the owners of MY MARILYN had her for 21 years? "Follow a zero defect approach and you will get it right the 1st time". Currently docked Inner Harbor Marina, Baltimore Maryland. She recently cruised here in 3 1/2 days without a hitch. Anxious to make fair deal -- shows well.

Exclusions

Owner's personal belongings.
