## Overview

---

If big fish and blue water are on your agenda, for say, the next couple of decades, then you deserve to head offshore aboard the Triton 351 CC. This rugged 35-foot center console has it all. The open, uncluttered layout is a study in versatility. It's equally suited to a caster or jig fisherman as it is to the guy who trolls a six-rod spread. Triton designers made the most of the broad ten-foot beam with plenty of integrated storage, a huge high output baitwell, plus china head and sink below the console. Yet of all the outstanding features on the 351 CC, there's one which will leave an indelible impression... its ability to handle a sea. Thanks to an advanced deep-vee hull design, this rugged 900HP-rated sportfisherman is a wave shredding, spray shedding machine that's backed by the strongest warranty in the business.
