SPECIFICATIONS

Overview

SINBAD is an Pristine example of this popular motor yacht design that will appeals to discerning yachtsman. She has a designer interior with numerous lounging and entertaining areas along with the capability for extended cruising as desired. Her large swim platform make it easy to come aboard from the water whether swimming or diving. She has full walk around decks and 6 control stations for easy docking and is set up for the serious long distance cruising. Her aft deck is a favorite area for getting together for cocktails, a bite to eat or just lounging around a gorgeous inlayed teak table.

Having been built by the famous Vic Franck's Boat Company on a Heisley Marine hull, she has an excellent pedigree. Extended cruising range for non-stop Alaska to Cabo, or great performance capabilities for that quick run where speed is important.

SINBAD has benefited from an "open check book" maintenance program headed up by her full time captain and mate that keep her standing tall both cosmetically and mechanically. She is a pleasure to board and is ready for extended cruising. She has been moored under cover for all of her life which has helped her owner to keep her in excellent condition. This covered slip is also available for lease to the new owner.

DETAILED INFORMATION

"Sinbad"

"Sinbad" encompasses the all of the details that true yachtsmen require to fulfill their cruising experience. She can cruise locally with the yacht club in style as well as take you from Alaska to Mexico on a yacht built by one of the best custom yards in Seattle' boat building history, Vic Franck's Boat Yard. Sinbad is built on the famous Heisley Marine hull designed for efficient cruising as well as excellent performance at higher speeds.

Walking on this yacht from the swim platform you are presented with two grand curved stairwells with teak treads leading up to the aft deck. The aft deck has gorgeous teak decking and a settee large enough for eight. Entering the salon through large french doors you are met with a comfortably well designed interior graced with incredible art and decoration details. The galley and dining areas are forward and also generous in size. Visibility from the dining table is incredible. The window line throughout is low enough so one can see the water while seated in the anywhere on the main deck.

This is a warm and inviting yacht that provides the owners and guests with terrific living and entertaining spaces as well as an enormous private master and VIP staterooms with ensuite heads.

Salon

Walking forward from the spacious aft deck you effortlessly walk right into the Salon through large french doors that let in plenty of natural light. To port & starboard just inside are nicely appointed settees with large leather chairs aft. Forward to starboard is a large LCD TV with stereo rack hidden behind with plenty of storage. To port is a game table adjacent to a well designed bar area. The main deck day head in the forward port corner with high end fixtures. Forward to starboard is the foyer with curved stairways running up to the Enclosed Pilothouse and down to the Master & VIP Staterooms

- Large swimstep for easy boarding
- (4) Staple rails
- Recessed handrails
- Swim ladder with extension
- (2) Maxwell 1200 Winches w/ foot controls
- Pop up Cleats
- (3) hatches for Lazarette access

Lazarette:

- Jastram- Hydraulic steering system
- Jastram and Simrad rudder feedback units
- (2) Heavy duty hydraulic steering rams
- Underwater lighting
- Keypower- Sternthruster
- Air compressor

Workshop:

- Expansive Stainless steel work bench with shop tools
- Stainless steel sink
- Storage and spare parts
- Electrical Distribution panels
- (3) Charles- ISO Boost transformers
- Cummins/Onan 21.5kW Genset
- House battery bank
- (2) Phase Three- Smart Chargers
- 120VAC Florescent lights
- 12VDC lighting
- (2) HRO Watermaker systems
- (2) Jastra,- Hydraulic Steering pumps on custom drawer mount
- Racor Fuel filtration for Engines and Generators

Electronics & Navigation Systems

The Nav Systems and Electronics were chosen and laid out for ease of use and dependable operation. Quality components and latest available models have been installed and upgraded. Care was taken so that Pilothouse station has a logical layout for screens and controls with heavy emphasis on serviceability.

Pilothouse:

- (2)Stidd adjustable captains chairs
- (2) Garmin GPS Charplotters
- (2) Furuno 72 mile radars w/ independent displays
- AIS system
- Simrad AP 70 Autopilt
- Simrad AP26- Backup Autopilot
- Simrad QS80 remote built into Stidd Chair
- Simrad AP27- Remote
- Furuno FCV-582L
- 15" Monitor with multiple inputs -Wesmar digital control -CCTV camera system -Satellite Television input
- Simrad- Instrument system
- Simrad IS11- Anemometer
- (2) Jastram- Rudder angle/order indicators
- (2) P/S Wagoner- Rudder Angle Indicators
- Altan- Air Horn control

- Sounder
- Furuno SC-30 Satellite compass
- NMEA 2000 Backbone
- (2) Standard Horizon VHF's
- Windlass control
- Bow & Stern thruster control
- Detroit Diesel- engine gauges
- Detroit Diesel- Controls
- Detroit Diesel- Back up controls
- Ritchie compass
- (3) Kahlenberg- Air horns
- Wesmar- Digital stabilizer system
- Datamarine- Digital depth sounder
- CB
- JRC- Inmarsat Communication system
- Thrane & Thrane Inmarsat communication
- Color Light- Spot light
- JVC Stereo receiver

Electrical Systems

The Grand Banks Electrical system is known to be a robust design, complex in layout but remarkably friendly to use.

- Grand Banks electrical distribution panel
- Northern Lights 20 kW genset w/ remote start/gauge panel in engine room
- Northern Lights 8 kW genset with remote start/gauge panel in Laz.
- (2) Genset start batteries
- Heart interface- Freedom 2
- 500 watt inverter/charger
- Link 2000 interface
- (8) inverter batteries
- (2) Professional Mariner-
- Promatic 50-3 12vDC battery chargers
- (2) Main engine start batteries
- Shorepower/cable connections fore and aft
- 50 amp 125/250 shore power cord
- TV/Phone connection at bow
- Compton AC voltmeter/Ammeter
- Zinc Saver II galvanic isolator
- 12VDC High output alternators- One on each engine
- Grand Banks windlass control panel
- Nutone central vacuum system

- (3) House batteries

Mechanical, Hydraulic, HVAC, and Plumbing

Mechanical:

Detroit Diesel electronic controlled engines, fresh water cooled through heat exchangers with AIRSEP air filters. The engines have been professionally serviced and maintained by Performance Diesel of Seattle on an annual basis. There are only 400 hours on each since major overhaul also completed by Performance Marine. The Mechanical systems include the following:

- (2) Detroit Diesel 16V92 (660 HP)
- Marine Exhaust systems- Exhaust system & mufflers
- Racor dual filter units foreach engine on custom tilt out frame
- Parker- Engine driven- Hydraulic pump
- Detroit Diesel electronic engine controls
- Full electronic engine conrole backup system.
- Norscot- Shaft seal
- Aquadrive- Shaft coupling system
- Aquamet 22- 3" Stainless Steel shafts
- (5) Steel fuel tanks with center 300 Gallon Day Tank

Hydraulic systems:

There are two separate hydraulic systems on "Sinbad" The recent Jastram steering system installation and the Stabilizer/Thruster system. Details:

Jastram steering system utilitzing two Baldor Electric motors

- Jastram dual hydraulic pumps on custom slide for easy maintenance.
- Hydraulic PTO clutched off each engine
- Wesmar- Hydraulic Stabilizers
- Wesmar- Digital Stabilizer control
- Keypower Hydraulic Bow Thruster
- Keypower Hydraulic Stern Thruster

Heating and Air-conditioning:

Marine Air- Reverse Cycle Air conditioning system throughout vessel with controls in each living area.

Air conditioning locations

- Guest and VIP stateroom A/C
- unit under vee berth- compressor in bilge
- Saloon forward-A/C unit on
- flybridge
- Saloon Aft-A/C unit under stairs
- Master cabin-A/C unit to port

Plumbing:

- Fresh water tank- 550 Gallons
- Headhunter Mach5- Fresh water pumps (W/Spare)
- F/W accumulator tank
- (3) Torrid F/W Heaters
- Vaccuflush- Vacuum flush system
- Sealand- Commercial Macerator pumps
- (2) Holding tanks
- (1) Gray Water Tank
-

Exclusions

Items to be excluded from the purchase:

- Personal items
- Specific artwork
