ХАРАКТЕРИСТИКИ

Обзор

This Silverton 453 Motor Yacht, "Dragonfly" is a maxi-volume 3 stateroom vessel with a full beam master and an abundance of storage. The layout is superb for a live aboard scenario or extended coastal cruising. "Dragonfly" features a spacious VIP cabin, fully functional galley, a great fly bridge helm layout with staircases forward to the bow arrangement, a massive aft deck, and transom tender lift. "Dragonfly" is powered by twin Volvo Penta 480hp inboard diesel engines with only 870 original hours. The bottom was painted in June of 2015 and mechanical services (fluid and filters) were performed in July 2015. "Dragonfly" is priced in line with the market and offers are strongly encouraged by it's two boat owner.

ПОДРОБНОЕ ОПИСАНИЕ

Accommodations

"Dragonfly" offers accommodations for six owners/guests in three staterooms. "Dragonfly" boasts an exceptionally large interior with full beam master cabin aft and private head. The salon is spacious and integrates with the step up fully equipped galley. Going forward down the port side companionway leads you to the VIP cabin with athwartship queen berth and en suite head that also serves as the day head. There is also a private cross-over double berth forward that sleeps two more guests. The interior wood package is a rich cherry with neutral accents and ultra-leather coverings. On the exterior "Dragonfly" features a huge aft deck covered by a fiberglass hardtop, swim platform with sea lift, forward staircases to the bow and seating area, and a large fly bridge with ample seating. The amount of storage on this model is to say the least, EXCESSIVE!! It is a great layout for a potential live aboard situation.
