## Overview

---

Astondoa 53 Open offers many intriguing features you would expect on a much larger boat. The spacious bridge deck includes an outdoor galley, triple helm seats, and L-shape dining area that comfortably accommodate 6 or more guests. Just forward of the nearly full-beam settee at the stern, an open deck area big enough for dancing awaits you.

For on-deck entertainment, owners can choose to include a 20-inch LCD TV that rises up from a cabinet directly behind the helm station, in perfect viewing position from the L-shape dining area.

Guests can ease themselves gently into the sea with the hydraulically operated swim platform. Ready to explore the shore? This seacraft sports a transom garage big enough to carry a 10-foot tender with a winch and roller system that makes the launch a snap.

The outstanding master stateroom is located forward with a centerline queen berth. Mid-ship two guest staterooms can be found, with a full double berth in one and bunk beds in the other. And yes, with Astondoa being a custom builder, the owner can transfigure the guest staterooms into one expansive master stateroom with en suite head. Powered by twin 800-hp MAN inboards, this Astondoa 53 OPEN sports cruiser takes off like a rocket with minimal bow rise and no loss of visibility. When turning under full throttle, she tracks like a pro and banks nicely. With her fine entry and V-form hull, her sea keeping abilities hold their own, even in challenging conditions.

G Marine is the exclusive dealer for Astondoa USA offering custom yachts. Immediately available are new & used boats in stock and ready to be delivered. Tour our outstanding selection at G Marine's in-water showroom in Miami – the right boat awaits you.
