SPECIFICATIONS

Overview

Astondoa 72 GLX showcases the custom work that has won awards for this venerable yacht builder. Spacious and well-built, this 72-foot GLX yacht is rugged yet graceful, granting almost 7 feet of headroom on the main deck.

The enormous flydeck extends all the way aft, fully shading the cockpit. This perfectly appointed entertainment and command post sports a T-top with a roll back canvas sheet that lets in as much sunlight as you and your guests see fit. Layouts up top are fully customizable.

Before being released to her owner, each Astondoa vessel follows a rigorous control process, during which every technical parameter is tested and analyzed. After delivery, each boat is on a rigorous maintenance schedule, periodically carried out by Astondoa's authorized network of service facilities that span 5 continents.

G Marine is the exclusive dealer for Astondoa USA custom yachts. With new & used boats in stock and ready for delivery, you are welcome to tour our wide selection at the G Marine in-water showroom in Miami.
