## Overview

---

Astondoa 80 GLX is sure to turn heads with her sporty style and equally sporty performance.

Dynamic and agile, this 80-foot GLX reaches a top end speed of 31 knots and a cruise speed of 25 knots with her standard MAN engines. She tracks like a pro and banks nicely, even when turning at full throttle. With her sleek entry and V shaped hull, her handling capabilities keep the ride smooth, even in less than favorable weather. The owner of this custom yacht can personalize her exterior and interior to suit, including outfittings and layout.

Astondoa is a master of quality assurance and after-sale care. Its exclusive “Astondoa Service” program begins well in advance of the vessel’s delivery to the owner. Each craft follows a rigorous process during which every technical parameter is tested and analyzed, followed by a regular maintenance schedule, supported by a network of authorized Astondoa distribution and service facilities worldwide.

Whether you desire a custom yacht, new or pre-owned, the right boat awaits you at G Marine – the exclusive dealer for Astondoa USA. Tour our outstanding selection of new and used motor yachts at G Marine’s in-water showroom in Miami.
