## Overview

---

Blue Latitudes is Viking's answer to the angler's desire to travel and do what he loves while traveling. She is a very well maintained example of the Cockpit Sport Line. Cruise all day at 25 knots with a top speed of 29kts using MAN's 1050hp option. Blue Latitudes is a perfect yacht for the Bahamas by having a shallow draft of just 4'-10" and an enclosed aft deck with operable windows for those cooler days and fresh breeze; or close the windows and use the air-conditioning.

This model has a fully fish ready cockpit with deck and cabinet storage plus a tuna door to boot. Inside, Blue Latitudes has two living areas (encl. aft deck and the salon/galley area) 3 staterooms and 3 heads (Mstr, VIP and bunk rm). She boasts foredeck that is large enough for a party. Throw in Garmin electronics, Smart TV's and Satellite and you have the perfect liveaboard or traveling yacht.
