SPECIFICATIONS

Overview

Huntress 94 Deck Saloon Long Range Schooner. Built 2005 she is Superbly built to survey but not in survey, to cruise the world and possibly Charter in the Caribbean along the way. Air conditioned (reverse cycle) throughout, there is sleeping for 8 passengers + 4 crew in five cabins luxuriously fitted in cherry wood. She has twin drive stations with duplicated electronics in the deck saloon, wide walk around decks, expansive cockpit aft. All sails are handled by electric winches from the crew cockpit amidships which also converts into a spa at anchor. The clever Schooner rig makes for low aspect sails, so much easier to manage short handed. There are two "Get Home" smaller diesel motors for propulsion that double as generators. A very intelligent highly capable expedition yacht.

Basic Information

Category: Motor Yacht

Model Year: 2005
