SPECIFICATIONS

Overview

The largest and most extravagant of the WIDER Superyacht range, the WIDER 165 represents the finest in style, design, practicality and ingenuity.

The WIDER 165 is a no-compromise vessel that features advanced multi-functional systems, user-friendly technology, diesel-electric propulsion, and an enhanced relationship with the sea via the WIDER beach club area, side platforms, balcony, and an interior seawater swimming pool.

Constructed entirely in aluminium, the elegant silhouette of the WIDER 165 was created by Fulvio De Simoni in collaboration with the in-house WIDER design team. The WIDER 165 has been designed to enhance the owner's contact with the sea, while significantly increasing interior volumes compared to other 165' motor yachts.
