DETAILED INFORMATION

Vessel Description

Here is a super clean 2001 Sea Ray 29 AJ with only 150 hours. You will not find a cleaner one on the market nor one that has been upgraded to this high level. She has 5.7 EFI *Fresh Water Cooled* engines with Bravo 3 drives. She is a fully loaded package which offers options and features that make her a stand-alone compared to others like her in the pack. Whether you're planning a weekend of fishing, cruising, or a little bit of both this low hour package is more than suitably equipped with her upgraded fishing package and newer high end Raymarine electronics package. This wide beam, (10'6") dual purpose, versatile cruiser features an aluminum arch with rocket launchers, custom rod holders, a bait prep station with a recirculating 26 gallon livewell, seawater washdown system, a wide double helm chair and a port side back to back seat that folds out nicely to a lounge. Up on the forward deck you have a new custom sun lounge with forward bimini top. Below decks, her cabin accommodations are a tasteful blend of ultraleather upholstery, and designer galley features. There is a large forward berth that was customized for additional comfort and a mid-ship dinette that pulls out uniquely to convert to a double bunk. The mid cabin berth can be used to sleep children or to double as a large storage area. The stand-up head with shower offers a Vacuflush head and ample room. This vessel provides the best of both worlds for the family that enjoys both offshore fishing as well as cruising & island relaxing. The extra-large 230 gallon fuel tank allows for an extended range you will normally only see in larger diesel vessels. All maintenance has been properly completed as scheduled. Call for your easy showing today at Galati Yachts in Saint Petersburg. You will not be disappointed! **The new custom built magic tilt trailer is not included in the price, however is available.**
