SPECIFICATIONS

Overview

This Fairline Squadron 65 is built to impress. A real attention-getter, this flybridge yacht embodies luxury and sociability far more than other boats of its size.

Sumptuous furnishings and hand-worked cabinetry are hallmarks of the Squadron, elegantly expressed in the expansive single-level interior – a testament to the 65's ingenious flat floor design. This uncomplicated, single floor layout is normally reserved for much larger yachts... yet Fairline's designers have given you that advantage on this 65-foot flybridge yacht.
