# SPECIFICATIONS

---

## Overview

---

The Brownell built boats have earned a fine reputation as strong capable sea boats, more than equal to their choppy home waters of New England and the offshore waters beyond. They incorporate long skegs, ample beam and hand chines for stability and structural integrity and have glued double diagonal mahogany planking over oak structural timbers; deck are fiberglass over plywood, exterior finish are awlgrip.

LIZALOU has ample accommodations for coastal cruising and a large cockpit and bridge deck for fishing or picnic outings. She has an ample vee berth, a full galley, comfortable dinette, enclosed head with ample storage throughout. LIZALOU has been carefully maintained at Tiffany Yachts since purchased. She is recommended to those who seek a New England classic for cruising, fishing or family picnic outings.
