Overview

New Construction Hatteras GT63 Enclosed Bridge

Ready for your customizations and personal touch, this is the next available GT63 production slot!

She is a true bluewater fishing machine with her resin-infused solid fiberglass bottom and superior construction techniques...wave at the competition as you blast by them going 35kts in 6 foot seas.

All sportfish yachts can go fast in calm water these days, but a Hatteras is built to withstand sea conditions that will leave others at the dock.

Spacious 4 stateroom layout and 20ft beam provide plenty of room and privacy for friends and family
