A/C & heat All hardware 316-L stainless steel All rails welded 316-L stainless steel

---

### MANUFACTURER'S DESCRIPTION

---

Boston Whaler's engineers applied customer and dealer feedback in designing the 285 Conquest, crafting a versatile luxury vessel that can only be described as a masterpiece. The 285, rebuilt from the hull up, improves on its predecessor's helm design with unobstructed captain's visibility and three distinct hardtop-windshield system variations: an open windshield, an enclosed windshield and a pilothouse. The port lounge seating is raised for better forward visibility, with an innovative "flip and slide" backrest with filler cushion that allows for forward or aft-facing configurations. Other comfort features include an optional cockpit sunshade and cockpit table. Hardcore anglers will appreciate state-of-the-art Raymarine electronics options, a 30-gallon livewell, and a decked-out starboard prep station. With improved performance and handling along with refined styling updates, nothing looks or feels better gliding across the water.

---

## DECK / COCKPIT

---

• 8" stainless steel cleats – bow (2), spring line (2), stern with hawse pipes (2), anchor (1) • 28" interior freeboard • 12-V receptacle • Acrylic transom door • Bow and stern lifting eyes • Cockpit coaming bolsters • Cockpit floodlight, dome light and rod holders (4) • Cockpit prep center with sink and storage • Cockpit shower • Covered telescoping stainless steel swim ladder with stainless steel grab rail • Drink holders (8) • Gunnel mounted stainless steel rod holders (4) • Heavy-duty rub rail • Raw water washdown with coil hose storage • Speakers (2) • Stainless steel anchor roller assembly with safety lanyard • Stainless steel cockpit toe rails • Stainless steel grab rails • Stern stainless steel hawse pipes with drink holders • Transom mounted stainless steel rod holders (3) • Trash receptacle (livewell trash retainer ring)

---
