## Overview

This 2000 Catalina 42 MK II is new to the market and shows like a 2015! She will not last long. She is the popular, spacious, two cabin, centerline queen design. She has been recently refitted, cleaned & polished and is ready for you to move aboard and go cruising. Catalina yachts are made in America, and the Catalina 42 is one of the most popular designs. At 42 feet LOA she is big enough to go anywhere in the world yet small enough to single hand. Her 4 ft 10" draft will enable her to get into shallow waters and her 59 ft mast will enable her to clear ICW bridges. She is handsome and timeless in design. With her 36 ft waterline she can do 7-8 knots easily.

Accommodations: Light & airy interior, varnished teak bulkheads & cabinetry and white fiberglass overhead, inlaid teak and holly cabin soles, white cream colored Ultra Leather settees, two private cabins, (centerline queen forward and double starboard aft, both with inner spring mattresses), two full heads with showers, a spacious saloon, "L" shaped galley to port, with massive storage space for provisions.

Major equipment: Yanmar 4JH3 56 HP, diesel, (1000 hours), Charleston Spars in-mast furling, Shakespeare headsail furling, like new furling main and furling genoa, (150%), new Sta-Set running rigging, full Raymarine electronics, (C80 chart plotter and ST-60 instruments), full navy blue Sunbrella bimini & dodger, 12 new Lewmar ports and hatches, Marine-Air reverse cycle AC/Heat, three new 4D (12v 200 AH) batteries, anchor, chain & rope ground tackle, bow roller, anchor well, hull compounded & waxed, updated "Maintenance Log". See full specs for the complete details.
