Maintenance Overview

This yacht has had impeccable care since new. The second owner is a professional pilot and very meticulous about maintenance and routine bottom cleaning and exterior, interior maintenance. If you are in the market for a 1988 48 Claifornian, look no further!

2015

- July - (2) New Deka AGM batteries added for main engine starting
- July - New water pump installed for 3 main air conditioners
- July - New water pump installed for aft salon air conditioner

2014

- October - Boat hauled at Manatee Pocket in Stuart, FL., bottom painted and all routine bottom maintenance performed. Major upgrade was done with 1/4" increased diameter Groco thru hulls (the water flow on the AC's is great)

2013

- September - Replaced engine turbo and gasket
- July - All old style bulb light fixtures replaced with new LED lighting throughout, externally a white LED strip runs up and down the outside flybridge
- June - All lower salon carpet removed and replaced with beige Stainmaster and new plush carpet padding

2011

- December - Boat hauled out at Viking Boatworks in St. Petersburg for bottom paint, zincs, cutlass bearings and routine bottom maintenance
- December - All dated bedspreads, sheets and pillows removed and updated
- July - Old helm electronics removed, (2) Garmin 5212 plotters installed with (2) standard Horizon GX2150 VHF's, both antennas replaced with digital Shakespeare antennas
- June - Outdated battery charger was replaced with Pro-Mariner Pronautic 1230 P unit
- May - Original old lead acid batteries removed, (3) Electro batteries A & M installed, no maintenance and very reliable
