Overview

This 2012 35' Cruisers Express has a manufacturer's suggested retail price of *over* \$418,000!

This 35' Express is one of the nicest layouts in the cruising yacht Express yachts and combines modern sport boat styling with luxury greater to any other 35' express yacht. This 350 Express doesn't just look good, she utilizes space as well or better than any builder in her class. Her open plan interior accommodates sleeping for 6 persons in 3 separate berths with a very nice U-shaped lounge. She also provides a **safe and efficient walk through windshield**.
