DETAILED INFORMATION

Vessel Layout

Sleeps owners and guest in three staterooms with two heads.

VIP Stateroom

The Bow VIP Stateroom has a double berth to starboard and a single berth up and to port. Just below the port berth is a large cedar lined hanging locker. Aft and to the starboard side is a closet which houses a Kenmore Washer and Kenmore Dryer.

Just aft and to port of the VIP stateroom is the guest/day head. This head can be accessed from the privacy of the VIP Stateroom or via the companionway. There is a vanity, mirrored medicine cabinet above with storage below the vanity. The sink and counter top are molded Corian and features Moen Fixtures. There is a Raritan flush head with venting system, a large linen storage area, a large enclosed stall shower with additional internal storage closet. This area is finished off with teak and holly hardwood flooring.

Guest Stateroom

The guest stateroom features over/under large twin berths. There is a good sized hanging locker and drawers under the lower bunk. This stateroom feathers a Bowmar hatch that opens to the foredeck, hatch includes a canvas blackout screen.

Master Stateroom

To starboard and amidships is the master suite. Upon entering this stateroom the queen walk-around berth runs fore and aft. There is a mirrored soffit above the head of this berth as well as a fabric bolstered headboard. On either side of the berth are built-in night tables with lighting. Along the starboard side you will find upper cabinetry, a T.V. and a large cedar lined hanging locker.

To the port side of the master, behind the entry door is a built in bureau. Forward in this stateroom is private access to the ensuite master head. The master head features a large vanity with a molded Corian countertop, sink and silver Moen Faucet. Above the vanity is a mirrored medicine cabinet and below is abundant storage. The large stall shower is forward and has a storage cabinet built into the shower. Just outside the shower is a clothes hamper and a large linen closet. There is a fresh water Raritan head, an overhead hatch with a removable canvass privacy cover and a finishing touch

of teak and holly hardwood flooring.

Galley

Up from the stateroom companionway and open to the salon is the mid-level galley. The galley features a 2-burner CERAN Princess Cooktop, Sharp Carousel Interactive Convection Oven, Refrigerator/Freezer with icemaker, instant hot water system and the counter tops and sink are a molded Corian with Moen Fixtures. There are ample teak storage cabinets throughout. The teak and holly hardwood floor also has a hatch that opens to a large storage area below the galley. The central vacuum system is stored under the steps between the galley and salon.

Salon

A large area that utilizes rich teak wood cabinetry, soft fabrics and panoramic view via the large salon windows, the salon is located on the main deck and is the entertainment focal point of the yacht. This area features an enormous dinette/settee forward and to starboard, a large L-shaped sofa which runs along the portside and aft bulkhead of the salon, both sections have easy access storage below. The audio/visual equipment is housed in teak cabinetry on the forward bulkhead of the salon above the dinette/settee. Just aft at the starboard end of the dinette is a barrel chair that is situated between the dinette and the yachts electrical panel cabinet, this cabinetry houses the U- line icemaker, several storage drawers as well as storage to starboard. The window treatments are fabric valences, lambrequins and Hunter Douglas Silhouette Blinds. There are canvass runners throughout and the salon door is to starboard. Audio/Visual equipment includes:

- Samsung 43 Plasma TV
- Yamaha Natural Sound AV Receiver RX-V373
- (DVD-TV-CD-Stereo)
- Bose Lifestyle 38 Theater System
- TracVision Satellite Receiver
- Clarion volume/station selector

Cockpit

The large fiberglass cockpit features all the amenities needed to cruise in comfort. The exterior entertainment is centered on a custom teak table, chairs and removable sun shade. Across the forward bulkhead is a molded fiberglass storage center feathering; large cockpit freezer, cockpit sink and prep center with tackle storage below, a refrigerated drink box, overhead lighting, under gunwale lighting, underwater lights and

stereo speakers.

There are two large storage areas/fish boxes and a live bait well located under deck, a transom door and gate, the covering boards are teak (updated 2009) and are equipped with six (6) flush mount rod holders, Glendinning Cablemaster shore power connection, TV/Phone hookup, fresh and saltwater wash downs, a fresh water intake as well as the live well pump switch. The entrance door to the salon, access to rudders/transom, engine room and a recessed ladder to the flybridge.

Bow/Foredeck

Post Yachts trademark molded in bow beach seating located just in front of the house, the foredeck sports a Palm Beach low profile custom bow rail, a bow pulpit with a Muier-Imtra chain and rode windlass with foot pedals controls. There are also three hatches in the bow area that service the MSR, VIP and guest staterooms. The deck is finished with white non-skid paint for safety and maneuvering.

Flybridge

Spacious, functional flybridge provides excellent visibility fore and aft. The underside of the hardtop is painted yellow to match the hull color and has a drop down control panel for engine start/stop switches. There are Glendenning electronic controls with trolling valves and single lever controls on the sport helm pod.

Additional features include:

- Helm console with sport helm pod
- Full array of electronics
- Three (3) side enclosure
- Custom fiberglass hardtop w/quartz spreader lights
- Two (2) Scoponich helm chairs
- Bench seating with cushions and storage
