- Transom door
- Helm seat - with slider - starboard

MANUFACTURER PROVIDED DESCRIPTION

The up market 2900VX boasts a Kevlar reinforced hull and performs with a soft-as-butter ride. The integrated liner and stringer system make it more rigid – and more solid. Double clamp hoses, submersible rated electrical connectors and stainless steel from the bow rails to the propellers ensure it's always ready to do business. As you would expect of any Hydra-Sports model, the 2900VX comes with boatloads of functional features for the serious fisherman. From generous bait boxes and re-circulating baitwell to snag-free pop-up cleats and five rod holders on the solid hardtop, everything is considered. So, if you're serious about fishing, you're seriously considering the uncompromising performance of the 2900VX

Exclusions

Owner's personal belongings.
