## Overview

---

TornadoSport developed the Extreme 40 catamaran in 2005 with the essential goal of bringing sailing to the public. The origins of the Extreme 40 can be traced back to the Olympic Class Catamaran, TORNADO. This Extreme 40, however, is a scaled-up version of its predecessor: all dimensions are relative, it is just twice as big and incredibly fast.

Sold with:

40ft container, 1x mast, 2x keels, 2x rudder blades, 1x rope
