DETAILED INFORMATION

Broker's Comments

A fantastic example of the already brilliant Galeon 390 Flybridge. She has been lightly used and beautifully maintained by her only owner, recently serviced, new anodes all round and the topsides have just been polished. – Must be viewed!

Background

- Ordered from factory by her current and only owner.
- Several extras included in her build with various upgrades etc... (The owner is a retired ships master so his extras make sense).
- Lightly used in the UK (Lymington), then on to Cherbourg where the owner now lives.
- Fully serviced annually by Volvo engineers – all records on-board.
- Lifted every year.

Construction

RCD Status: The yacht conforms with the essential safety requirements of Directive 94/25EC (Recreational Craft Directive) and is categorised B.

Hull, Deck & Superstructure Construction:

- White gelcoats to her hand laid GRP hull and superstructure.

Galeon have been turning ambitious dreams into floating realities since 1982. Their experience and reputation as a full-range builder have resulted in the construction of several popular motorboats and luxury motor yachts up to 16 metres. Today the company benefits from over 20 years of experience and knowhow of building boats. Every Galeon is constructed, designed and custom made with safety, quality and durability in mind.

Machinery
