SPECIFICATIONS

Overview

The 26' Regulator Center Console is built on a solid fiberglass deep-V hull with a sharp entry , wide reverse chines and a single piece grid-type stringer system for superior structural support. The superior construction, GREAT ride and good looks sets the 26 apart from many other center consoles. Sitting on a 2014 Aluminum trailer and having been serviced for the season this 26 is absolutely ready to go. Call today before she's gone.
