## The Dewars & Shakers

---

This 39' Sovran is very well equipped and has been professionally maintained. She has numerous options including cockpit A/C, aft enclosure, underwater lights, SAT TV, hydraulic swim platform, and sub-zero refrigeration in galley. The owner has not spared any expense keeping all of the systems, engines and hull serviced and up to date. Before you purchase any other Sovran, you owe it to yourself to look at this one first.

## Overview

---

You will discover no tight spaces inside the 3900 Sovran. The galley is to starboard and lies open to the spacious salon and there is ample headroom throughout. Aft on the port side is the large head with full-frame door and stall shower. Aft to starboard, the salon steps down to a "theater" lounge area with large flat screen LCD TV. This enjoyable and cozy room rivals entertainment centers of much larger yachts and converts to berths for overnight guests. The master stateroom is forward complete with pedestal queen berth, abundant storage and cedar-lined hanging lockers. It is set off by attractive curved, sliding pocket doors.
