SPECIFICATIONS

Overview

Azure Sky is a fabulous example of a beautiful RINA classed Turkish built motoryacht that has been lovingly cared for by its original owner and crew. Completed in 2005, she is used for the summer months in the Greek Island and each year she is hauled for the winter and has regularly scheduled maintenance performed with an open checkbook policy. This yacht is in impeccable condition and will pass any inspection.

A classic interior highlighted by mahogany woodwork and the finest fabrics. She has an on deck master with en suite head and shower, plus four luxuriously appointed staterooms, each with en suite heads.

Powered by Caterpillar 3512B diesels producing 2200 Hp, she is capable of top end speeds of 24 knots, but cruises comfortably at 18-20 knots.

The original owner is motivated and ready to sell. Present any offers.

NOTABLE FEATURES

- Tender garage w/ davit
- Master on deck w/ four additional guest staterooms
- Newly installed solar panel & battery system w/ inverter allows extended anchorage without generator use.
- RINA classed
- Flawless condition - yacht only spends the summer months in the water
